

**3rd Meeting of the Information Sharing Initiative on Technical Assistance to
Ukraine in the Area of Nuclear and Radiological Security
(8-9 October 2018, Stockholm, Sweden)**

PRELIMINARY AGENDA

Background: Due to the comprehensive international cooperation in Ukraine in the field of nuclear and radiological security, in the framework of the G7 GP initiative against spread of weapons and materials of mass destruction, participants of the 1st ISI meeting in Oslo (Norway) in October 2016 and the 2nd meeting in Kyiv (Ukraine) in October 2017 decided to continue with annual ISI meetings, which are aimed at establishing and further developing of international cooperation in this field, addressing new arising challenges, as well as at exchanging experience between the cooperation partners related to improvement of the nuclear and radiological security regime.

The Initiative was addressed at the Radiological Safety and Nuclear and Radiological Security Working Group under the G7 Initiative "Global Partnership against the Spread of Weapons and Materials of Mass Destruction" and the 3rd ISI Meeting will be held 8-9 October 2018 in Stockholm, Sweden,
